Registration

Registration is at the Workshops Centre within the museum (Event HQ). All competitors must present photographic identification at registration. Triathlon England & Home nations members must present their race licence (preferably in electronic form) or purchase a race day licence. At registration, all competitors will receive essential items for the race:

- Race numbers (these must be worn throughout the event)
- Bike race number sticker (must be affixed before entering transition)
- Helmet race number sticker
- Timing chip – Please wear around your left ankle for the duration of the event and please return to appropriate place at the Finish Line at the end of your event. If you fail to return your timing chip you will be charged £10 for its replacement.

We recommend you use a race belt for your race numbers. If you are not using a race belt, then ensure the race number is visible from the rear on the bike & front on the run.

Medical Cover & Conditions

Medical cover will be available on site. If you have any medical conditions, you should have declared this on your entry, but please write this on the reverse of your race number. If you have any medical issues during the event, the medical team will check first before any emergency treatment is performed.

British Triathlon

This event is hosting two Qualifiers for the Great Britain Age Group Team.

What is Age Group racing? What are World Triathlon and Europe Triathlon Qualifiers?

The Great Britain Age Group Team offers British Triathlon Home Nation members a unique opportunity to represent Great Britain at continental and international events in triathlon, duathlon, and other multisport disciplines. If you qualify for the team, you can represent Great Britain and enjoy the experience of racing at a World Triathlon World Championship or Europe Triathlon European Championship.

Age Group Qualifiers - How to Qualify?

Qualifiers are held annually across Britain for triathlon and duathlon races, with athletes qualifying for Championship events the following year. This event is a qualifier and results will be

shared with British Triathlon for Great Britain Age Group Team selection. If you intend to qualify for the Great Britain Age Group Team, you must be a member of British Triathlon through your Home Nation and register your intent to qualify by 5pm on the Friday (for Sunday races) or 5pm on the Thursday (for Saturday races) before race day.

Additional details can be found here:

<https://www.britishtriathlon.org/age-group>

This is a British Triathlon sanctioned event and is being held under British Triathlon competition rules.

It is the competitor's responsibility to know the course.

Aquabike competitors

Sprint: Swim 750m- Bike 24km

Standard: Swim 1.5km - Bike 46km

All Aquabike competitors will follow the same Swim & Bike course as the Triathlon competitors. Aquabike competitors will finish their event after exiting transition (T2) and following a short run, crossing the timing point at the finish line. **(New rule change 2022: the final short run is to connect the transition area to the finish line).**

Triathlon Competitors (individual & Relay)

Sprint: Swim 750m, Bike 24km, Run 6.4km.

Standard: Swim 1500m, Bike 46km, Run 9.6km.

Relay Team Competitors

All team members must present themselves at registration with ID. The team captain will be provided with the team timing chip and race numbers. One timing chip with a Velcro strap will be provided at registration. The timing chip is your baton, which must be passed between team members together with the Velcro band. It must always be worn around the left ankle to work. Two race numbers will be provided.

- Cyclists must wear the number on their back.
- Runners must wear the number on their front. It is recommended that a race belt is used for ease and convenience.
- The bike sticker must be attached to the team cyclist's bike, and this must be on your bike before you go to transition.
- Changeover will be in a spacious area (transition), the cyclist waits for swimmer at a designated position and then runner waits for cyclist at that same point. Helmets must remain on the bike until after tagging.

Transition

Bikes must be racked in the numbered spot allocated. After the event, you will **only** be able to retrieve your bike and equipment from transition using your race number as ID.

The Transition volunteers will let you gain access to your bike and belongings when you finish and when it is safe to do so. Please respect other competitors and give them time and space to continue their race.

- Your helmet must be securely fastened before unracking your bike.
- You must rack your bike before unfastening your helmet.
- There are experienced Volunteers in the transition area, there to help you! Please listen to them and follow their instructions.
- Event numbers must be visible from the rear on the bike

The Swim

- If for whatever reason you happen to get into any difficulties during the swim section, please roll onto your back, raise one arm into the air, and you will be attended to by the safety crew.
- It is the competitor's responsibility to know the course and count their own laps.

The Bike

- **Sprint:** a single lap 24K bike course.
- **Standard:** This is a 2 lap 46K bike of the same course. (**Do not** come back into the museum road after first lap).
- *The roads are Live! and all competitors must always obey the Highway Code.*
- The course has five roundabouts, competitors should exercise best caution and follow the Highway code.
- When you are overtaking a cyclist in front of you, please do not pull out to the centre of the road, always look behind first to see if it safe to overtake. please be aware of other road users during the event
- Exercise best caution when cycling in and out of the Museum. There is a long fast decent onto the main bike route.
- Volunteers are located at key areas around the course but are NOT allowed to direct or stop traffic. It is up to the competitor to follow the highway code and **stop** if required.
- Be safe, Enjoy the bike ride - but be cautious and obey the Highway Code.
- It is the competitor's responsibility to know the course and count their own laps.

Bike course mechanic / maintenance

Williams Cycleworks and Velo28 will be present at transition on race day and can help with any pre-race/last minute issues and adjustments. They'll do what they can, but time and resources will be limited. Little tweaks are on them. but more serious work is at your expense! All parts and accessories must be paid for.

There will also be a bike mechanic on the course, and you can flag them down if you have a more serious mechanical problem. They can help and, if necessary, transport your bike back to transition. You should carry basic cycle repair kit, as they are not out to repair a puncture!
